Mr. Pierard,

My original email on this was bounced back due to attachment size – I'm breaking down further and sending as a series of 8 emails...

Attached are the documents pertaining to Ohio EPA's submission of a draft NPDES permit for the American Energy Corporation's Century Mine Bennoc Refuse Disposal Area. A hardcopy will be sent in today's mail. Let us know of any questions or comments.

Sincerely,

Dan Gill, M.S., P.E.
